

INTERNATIONAL RELATIONS REPORT UNIVERSITY OF SARAJEVO

2019

WORK

Collecting data from the Rectorate and member units of the University of Sarajevo.

Timetable: Calendar year 2019 (1 January – 31 December 2019).

Duration of data collecting: end of 2019 and beginning of 2020 (deadline provided by Department for education and student affairs).

Two versions are prepared:

- Main UNSA report (22 pages) – deadline: 10 March 2020
- International Relations Report (60 pages) – deadline: end of March 2019 – prolonged due to COVID19

Report is bilingual: B/C/S and English (this booklet is English version of the Report with main data and numbers).

CONTENT

Creating and adopting Strategy for Development of International Relations of UNSA for the period 2018(19) – 2022(23) we have defined INDICATORS – a system to monitor and grade implementation of the Strategy, internationalisation and action plans.

Indicators help to define this Report for 2019 and compare with previous from 2018 in next categories:

- Internationalisation of UNSA
- International Relations Board
- Agreements and Memberships
- Projects
- Mobility
- Study programs
- Conferences, summer schools and other short courses/programs
- International visibility and recognition

INTERNATIONALISATION OF UNSA

The UNSA Development Strategy was created during 2018 and adopted in the beginning of the 2019 and provides quicker and easier monitoring of the internationalisation process at UNSA, as well as including information about resources, local and global challenges.

Main contributors to the internationalisation process:

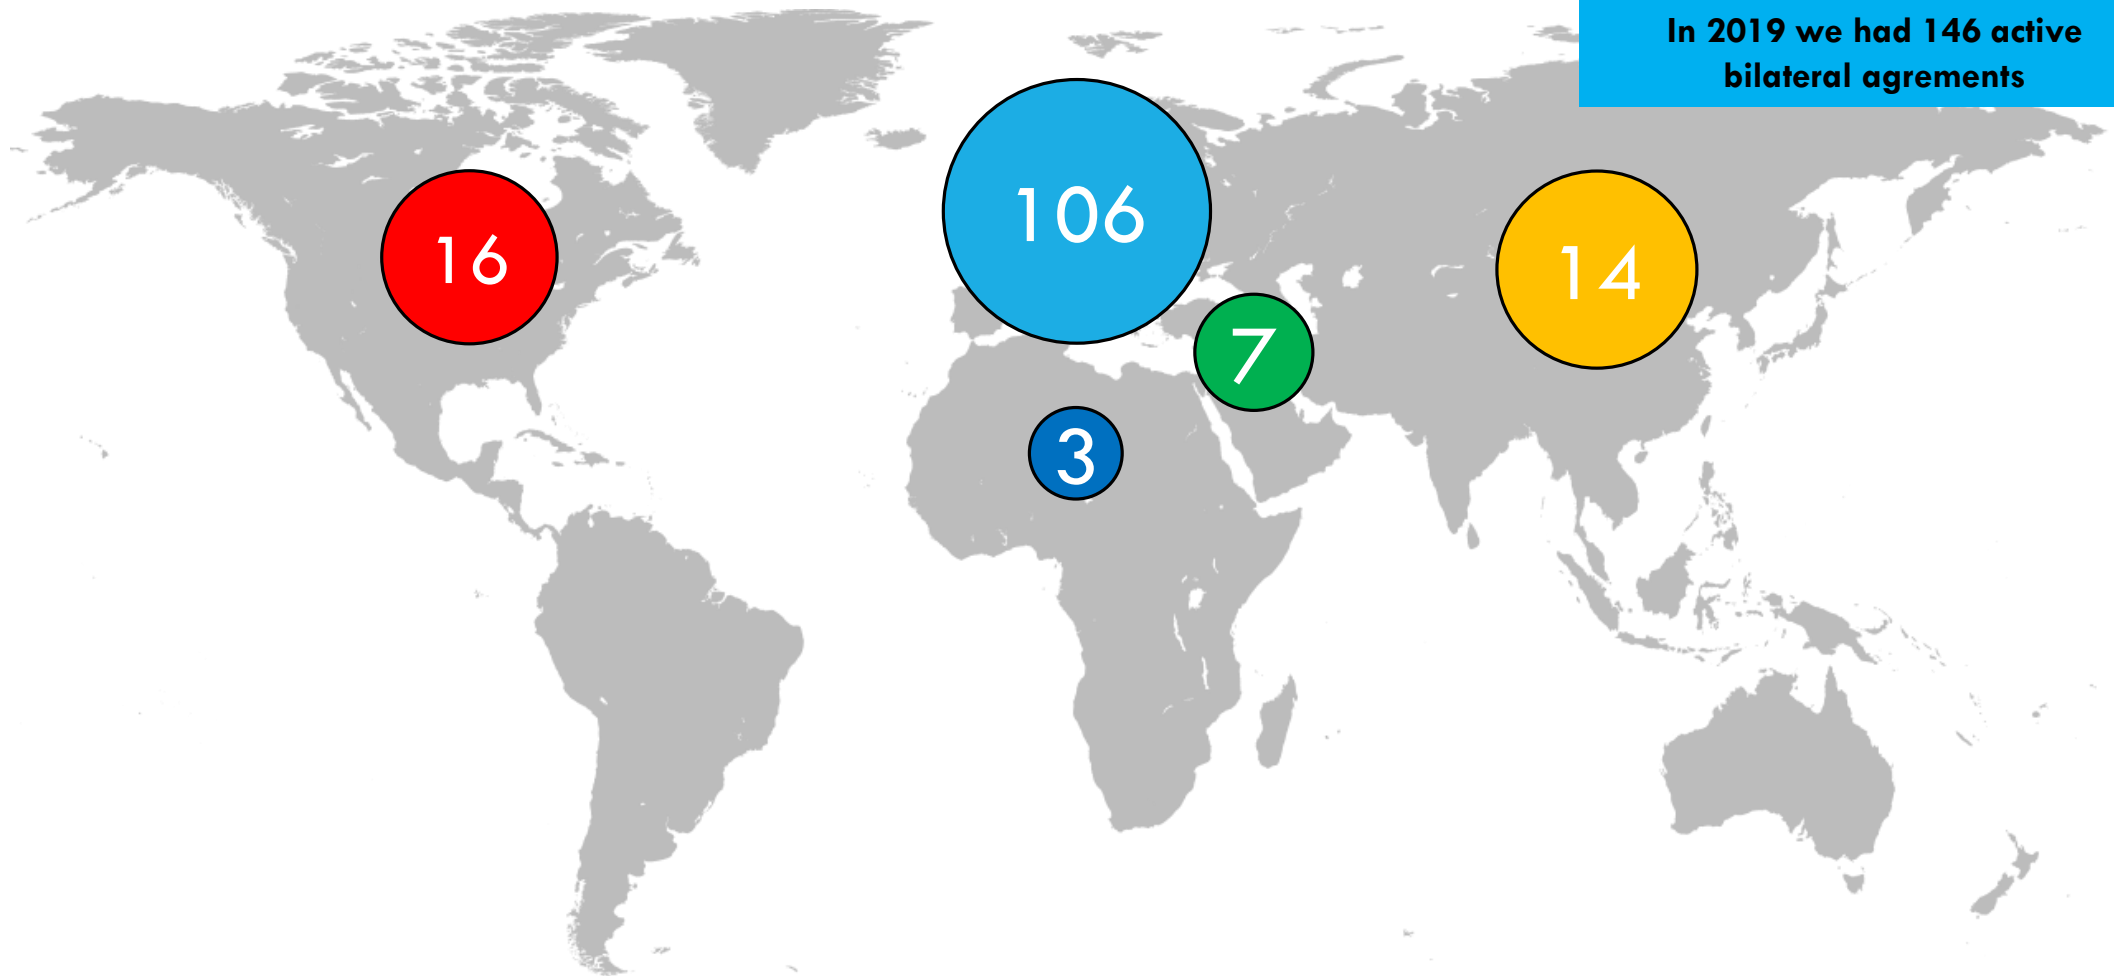

- International Relations Office with appointed Vice-rector
- Vice-deans for International Relations at the UNSA's units
- Coordinators and administrative staff at UNSA's unit included in international processes
- International Relations Board

BILATERAL AGREEMENTS (PARTNER)

The first ever agreement UNSA
signed on 1965
with Ernst Moritz-Arndt
University, Germany

Since 1965 UNSA signed
575 bilateral agreements

In 2019 we had 146 active
bilateral agreements

AGREEMENTS AND MEMBERSHIPS

In 2019, UNSA had 146 active bilateral agreements / memorandum on cooperation / protocols with higher education institutions from all over the world.

New 20 agreements were signed during 2019.

In 2019 UNSA and its units were active member of 28 international organisations and networks.

PROJECTS

184 Erasmus+
projects

UNSA continued active trend of participation in international programs and projects.

In 2019 UNSA participated in 574 projects:

- 271 international (financed through EU/international funds/tenders)
- 303 domestic (financed by state funds or own finances).

In this report we follow participation of UNSA within Erasmus+.

During the 2019 call (published in the end of 2018) UNSA applied with 149 project proposals for Erasmus+ (KA107, CBHE, JM and SP) as well as for other EU funded calls.

During 2019 UNSA implemented:

- 157 Inter-institutional agreements within **KA107 – more under mobility**
- 17 already approved **Erasmus+ CBHE projects**.
- In Summer of 2019 we were approved with new 6 projects within **Erasmus+ CBHE** where start of implementation was in the end of 2019 or beginning of 2020;
- UNSA applied for 4 **Jean Monnet** projects and got approved two (2).
