

# REGULATING YOUR RESIDENCE IN BOSNIA AND HERZEGOVINA

As in every country in the world, Bosnia and Herzegovina has regulations regarding foreign entering and exiting. As an international student/staff staying in Bosnia and Herzegovina **longer than 90 days** for academic/teaching purposes, you must regulate your **residence** status. For this, you need to obtain two documents:

1. **White card**
2. **Residence permit**

**Please note:** these documents are obtained upon your arrival in Sarajevo, so you do not need to get them before. However, you must bring certain documents from your home country for the residence permit.

**The International Relations Office of the University of Sarajevo prepares these instructions for international students and staff members coming for an exchange period at our university, which is longer than three (3) months. Any copying or distribution without a previous permit is forbidden.**

**White card**

**What is it?** A White Card is a document that lets the Foreigner’s Affairs Office (SPS) know where you are staying. It is a way for foreigners to register the address of where they will be residing while in Bosnia and Herzegovina.

**Do I need it?** According to the law, if you want to stay in Bosnia and Herzegovina for more than three days without booking a room at a hotel or hostel, you must apply for a White Card within 48 hours after entering the country. You will need a White Card if you intend to eventually apply for a temporary residence permit at any time during your stay in Bosnia and Herzegovina for any reason, as it is required.

**What happens if you need a White Card but do not get one?** According to the Article 134, clause 5 of the “Laws on Aliens” :

“Fine in the amount from 100 BAM to 500 BAM shall be imposed on an alien not using the accommodation services of a legal or physical entity nor visiting a physical entity but failing to register his/her stay under Article 103”

In addition, you cannot apply for temporary residence if you do not obtain a White Card without exiting and entering Bosnia and Herzegovina again. Since you plan to stay in Bosnia and Herzegovina for a couple of months and wish to return to this country, you need to invest the time and effort required to obtain a White Card.

**How to get it?**

When you arrive in Sarajevo, and find accommodation, you have approximately a few days to obtain the White Card.

- If you are **staying in the hotel/hostel**, then the accommodation provider regulates/issues this document (make sure to get your copy, too).
- If you are **staying in the student dorm or private accommodation**, you will need to go personally to the Foreign Affairs Office to issue this document. Before going there, you need to prepare the following documents and bring them with you to the Office:
  1. **your passport (make a copy)**
  2. **landlord’s identification document – ID (make a verified copy)**
  3. **proof of accommodation** – explained below
  4. **administration tax for White card** – explained below

**What is proof of accommodation and how to get it?**

It is a statement given by your landlord about your accommodation which includes their personal data and your personal data, address, duration of your accommodation etc. The statement must be verified in the Municipality centre – *Općina* (check **Scanajevo** for locations – under category *Visa*

and Residence). You can usually find the form there to fill it in, but in any case, the document is written in Bosnian language and should contain the following:

- Name and surname of the landlord
- Address in Sarajevo
- ID number of the landlord (JMBG)
- Phone of the landlord:
- Statement with next text:
  - *Pod moralnom, materijalnom i krivičnom odgovornošću izjavljujem da će kod mene boraviti \_\_\_\_\_ (your name) državljanin/ka \_\_\_\_\_ (your citizenship) broj putne isprave \_\_\_\_\_ (your passport number)*
- Signature of the landlord
- Date and place

### What is an Administration tax for White card and how to get it?

After completing the transaction, you will receive two stamped copies of the payment slip, and you must give one to the Foreigner's Office. The bank note must be filled as explained below:

## Residence permit

**What is it?** The residence permit is a document that regulates your stay as an international student or staff for the purpose and period of education in Bosnia and Herzegovina. It is required to be issued in the **first month** of students'/staff arrival. The Foreigners Affairs Office issues this document (a sticker on your passport).

**Do I need it?** Yes.

**What if I do not get it?** Any foreign citizen without a regulated stay following the laws of Bosnia and Herzegovina is considered an illegal migrant who is ultimately threatened with deportation from Bosnia and Herzegovina with the imposition of a ban on entry to Bosnia and Herzegovina for a minimum of one to five years. A foreigner will be fined from 300 KM to 1500 KM for a misdemeanour if he/she does not regulate their residence or stays in BiH longer than the time specified in the visa or temporary residence permit, i.e. longer than the validity of the visa-free stay.

### How to get it?
